## Thank you for joining us in sharing the love of God.

I was going through divorce and I was left totally alone with 3 children. I'm originally from Latvia so I didn't have anybody but my church and God. I was so depressed and suicidal at that point. One day I put my kids to bed and I sat on a couch with my Bible closed and said "Lord I can't even read it anymore, I'm asking you to help me". Then I put on TBN UK live stream - I don't even remember

“

who the preacher was but he stopped what he was doing and said, "There is woman watching me right now and your husband just left you with 3 kids. Don't worry, God is in your situation." I believe this is what I needed at that exact moment. So I pray that TBN UK touches even more people who are at a point of desperation and that the Lord will speak to them like he did to me.
