## Your stories

I love TBN UK and watch your programmes every day. I have my alarm set every morning so as to start my day right with the Lord! God bless you all and thank you again more than words can say. I lost my husband almost 3 years ago now. It seems like yesterday and my tears flow every day, but TBN helps me keep going and trusting in our dear Lord. Thank you again TBN UK family. Prayers assured,

**CAROL**
