# Dear TBN UK Family

We often start this newsletter with a mention of the weather - we really are obsessed! Even though the April showers seem relentless, early signs of spring, like a shock of yellow daffodils, bring fresh hope as we finally emerge from winter.

In the grand scheme of God's plan, we might be in the early spring season – Jesus has risen from the grave and we have the greatest gift of the Spirit with us! But storms and showers still come as we wait expectantly for the glorious, never-ending summer. Have hope!

You might notice a few changes in this month's newsletter – it's shorter for one! We'll be releasing a more in-depth quarterly newsletter but our monthly version will still highlight fresh content, and don't forget you can tune into TBN UK Weekly every Sunday evening at 7:30pm to stay up to date.

Finally, a huge thank you to all who continue to support the work we do.

God bless,

**Graham Ormiston**  
CEO, TBN UK
